RULES, REGULATIONS, TERMS & CONDITIONS

- Candidates are given 3 months of training and introductions and will be expected to complete the tasks given by the company accordingly. During the probationary period, you may not be given week-offs.
- If a candidate commits serious non-disciplinary acts while on the job, he or she may be fired, fined, or marked red.
- The candidate will be given a visiting visa only, which will be renewed accordingly, since the contract can be closed by the candidate at any time between 6 months and 24 months. After the completion of 24 months, if the candidate's performance is satisfactory, the company may promote/make them permanent/transfer, or move to other countries with higher wages, working visas, and other benefits.
- The contract period will be from 6 months to 24 months, which can be cancelled with the will of the candidate after completing a minimum of 6 months, as mentioned above. However, if the candidate wishes to leave before the minimum contract period, he/she will not be given any benefits from the company like return flight ticket/free transportation/paid overseas leaves, etc., He/she will have to bear all transportation expenses by themselves.
- Candidate may take 15 days of unpaid leave in the first six months, or one month of paid leave with return and arrival tickets and transportation upon completion of the 24-month contract period.

PLEASE NOTE-

- The tech-park is located at Mae-sot village, close to the Thailand-Myanmar border areas, due to reduced cost-of-living, to avoid outsiders entering/bringing or involving the chance of loss or injury, etc., So you will not be allowed to leave the tech-park during the contract period unless there is an emergency.
- You cannot be involved in any sexual activities inside the tech-park; if found, you could be fired/fined/mark red, accordingly.
